SAVKAT, INC

A Proud Representative of SunPower

YOUR SYSTEM IS ON!

Hello Anshuman Rudra,

Congratulations!

You are now producing clean renewable energy from the sun. Again, thank you for partnering with SunPower.

What's Next?

A List of Helpful Resources:

- **SunPower Welcome Kit**
Your SunPower Welcome Kit is in the mail! Included in this kit is a SunPower User Manual to help answer any questions on your leased system. We've also attached an electronic version of the SunPower User Manual to this message.
- **Your First Billing Statement**
Your first statement is being processed. You can expect to receive it in 30-60 days. Your payments will be due on the first day of the month beginning the month after your system is interconnected.
Note: You will still receive a bill from your utility company. As each utility company is different, be sure to contact them to make sure you're on the right rate plan for solar. Most companies will utilize plans such as "time of use", so inquire to get the best rate possible.
- **Monitor Your Energy Production Online**
Log in to [monitoring](#) anytime to see how much energy your system is producing. You can also [download](#) the SunPower Monitoring app for your iPhone®, iPad®, or Android™ mobile device.
- **Installation Experience Survey** You'll soon receive an email invitation to take a survey. It's important to us that you've had a fantastic experience; please let us know if we have delivered it. Remember you can contact us anytime at 1-800-SUNPOWER.
- **Annual Energy Production Report** SunPower monitors your system performance. Following your 1-year anniversary, and for every year thereafter, you will receive our Annual Energy Production Guarantee report that summarizes your system's energy production for the year.
- **Write a Review** Share your experience with SAVKAT, INC write a review and help other customers find the perfect partner for their solar needs*
*See web page for terms and conditions relating to submission of review.

Warmly,

The SunPower Team
